GOA**

**REPORT
ON
ELECTIONS TO LOCAL BODIES
IN GOA
2017-2018**

FOREWORD

The historic 73rd and 74th Constitutional Amendments in the year 1992 provided for not only the Constitutional status to all the Local Self Governments (LSGs) in the country but also an independent State Election Commission in each State for conducting elections to all LSGs regularly in a free, fair and transparent manner.

Pursuant to these Amendments, State Government enacted The Goa Panchayat Raj Act, 1994 to govern the local bodies at two levels-villages and district. The Goa Municipalities Act was enacted earlier in the year 1968 to govern the Municipalities in the state. A separate Legislation was brought in to govern the Municipal Corporation of the city of Panaji, called the Corporation of the City of Panaji Act, in the year 2002. The State Election Commission has been constituted under Article 243K and 243ZA of the Constitution of India, which is vested with the Superintendence, direction and control of the preparation of electoral rolls and the conduct of all elections to the Local bodies.

The boundaries of the wards are determined by the Government and the reservation of seats/wards in a local body is also done by the Government in accordance with Law. The geographical area of Goa has been divided into 2 Zilla Panchayats, 191 Village Panchayats, 13 Municipal Councils and 1 Municipal Corporation.

The Commission had earlier published a report on the General Elections to 186 Village Panchayats out of 191 total Village Panchayats that were held in June- July, 2017. Commission thereafter in the year 2017 successfully conducted General Elections to three Village Panchayats, Bye Elections to four Zilla Panchayat Constituencies and six wards of six Village Panchayats.

Subsequently, in the year 2018 General Elections to two Municipal Councils namely Ponda Municipal Council and Sanquelim Municipal Council were held in the month of April and May respectively. In addition, Bye election to 1 Municipal ward and 9 wards of 9 different Panchayats were conducted in the same year.

The Commission appointed General Observers and Expenditure Observers as its representatives in the field to oversee conduct of election process in general and to monitor implementation of the Election Code of Conduct in particular. It is worth pointing out that size of the electorate in Village Panchayat wards is often not more than 300 and the voting percentage also sometimes goes upto 98 percent but the interesting thing noticed is that

sometimes the winner is declared elected by holding draw of lots in presence of the Returning Officer which has been so provided under the Election Rules of the Local bodies.

The Commission acknowledges the support extended by the State Government wherever that was required and it fully appreciates and recognises the contributions made by the Election machinery comprising of the officers and staff of the Revenue Department under the control of the respective District Collector and that of the Police Department under the control of the S.P. concerned who extended their full support to the Commission to ensure conduct of all above Elections in a free, fair and peaceful manner.

The Commission has made an effort to compile all above election related information/documents for the purpose of future reference and record and hopes that it will be found useful by its users.
