## FOREWORD

**R. K. Srivastava, IAS (Retd.)**  
Commissioner  
Goa State Election Commission

It is my privilege to present herewith a brief report on the fifth general elections to 186 Village Panchayats in Goa that were held in two phases first on 11<sup>th</sup> of June and second on 1<sup>st</sup> of July, 2017 owing to the orders passed by the Hon'ble High Court of Bombay at Goa and also the Hon'ble Supreme Court of India. While the Election process was going on, some public members approached the Hon'ble High Court for seeking relief challenging the notification issued by the Government pertaining to either reservation of wards for certain categories or the delimitation of wards as such. Hon. High Court granted stay on the concerned Govt. notification relating to those 15 wards falling in Sancaole, Mercedes, Betki-Khandola, Curca-Bambolim-Talualim, Advalpal, Penha-da-franca, Anjuna-Caisua, Betalbatim, Bastora, and Nuvem Panchayats. The Government got the orders passed by the High court stayed by the Hon. Supreme Court. In order to honour the status quo orders passed by the Hon'ble Supreme Court after the nomination process had been over with respect to all the wards; the elections to the 15 wards in question were held during the second phase on 1<sup>st</sup> of July 2017 after seeking a direction from the Hon'ble High Court of Bombay at Goa.

Unfortunately due to death of one candidate from Ward No. V of Village Panchayat Chandor Cavorim from Salcete taluka, the election of the said ward was countermanded and held on 1<sup>st</sup> July 2017.

As per the provisions of the section 13 of the Goa Panchayat Raj Act, 1994; the Electoral Rolls of the Legislative Assembly of the State for the time being in force are to be used for holding election to the wards of Panchayats. Accordingly, the Electoral Roll notified by the Office of the Chief Electoral Officer on 19<sup>th</sup> January, 2017 was used for holding the polls. The Commission acknowledges the support extended by the Office of the Chief Electoral Officer in this regard.

The Goa Panchayat Raj and Zilla Panchayat (Election Procedure) Rules 1996 provide for holding the election through the Ballot paper and accordingly polls were held by using ballot boxes and ballot papers. No complaint whatsoever was received from anywhere regarding any tampering or malfunctioning of the ballot boxes. Staffs deployed on polling duty were imparted two rounds of detailed training on the use of ballot boxes apart from other Poll related activities.

There were 7,86,227 voters in 1522 wards of the Village Panchayats out of which 3,86,392 were male and 3,99,835 were female. The polling for 1449 wards of 186 Village Panchayats was held on 11<sup>th</sup> June, 2017 in which the final polling percentage was 80.33%. The polling for remaining 15 wards of 11 Village Panchayats was held on 1<sup>st</sup> July 2017 and the polling percentage was 73.43%. Election to the ward No. III of Village Panchayat Morlem in Sattari taluka could not be held on 11<sup>th</sup> June, 2017 as there were no nominations received, however, bye-election for this ward was held on 20<sup>th</sup> August, 2017.

For the elections to the 1522 seats of Village Panchayat members, 5340 candidates were in the fray out of which, 56 candidates got elected unopposed. Thus for the remaining 1466 seats, there were 5284 contesting candidates. Out of 1522 wards of 186 Village Panchayats 1007 wards were reserved. 164 wards were reserved for Scheduled Tribes, 339 wards were reserved for Backward Classes and 490 wards were reserved for the women. 14 wards were reserved for Scheduled Castes. Total 1232 Polling Stations were established to conduct the Panchayat elections in the State. The Commission also appointed Observers and Expenditure Observers at taluka level to oversee the election process and assist the Returning Officers. The elections were held peacefully and the entire machinery functioned impartially.

The Commission implemented for the first time, a web based software i.e Election Management System (EMS) which is real time electronic data processing software for these General Elections to 186 Village Panchayats for conducting and monitoring the whole election process. EMS could be used simultaneously by the Commission, District Collectors and Returning Officers for carrying out Election proceedings resulting in faster and efficient reporting across entire state. Election Management System enabled a real time data recording for pre-poll, Poll and Post-poll activities including real time information, communication and its dissemination. Entire election data and record has been maintained in electronic form.

The detailed report of the fifth general elections to Village Panchayats is presented herewith. Efforts have been made to present the minute details right from the Notification of election programme upto the counting of votes and declaration of results. The report contains the general information about the election programme, reservation of seats for various categories, list of polling stations, number of male and female voters, appointment of Returning Officers, taluka observers and expenditure observers, application of Code of Conduct, documents to be produced for identity of voters, wardwise lists of winning candidates and votes gained by each of them. I hope the report will be useful to all those who are associated with the conduct of elections.

I acknowledge the sincere contribution made by the Taluka observers, Returning Officers, Asst. Returning Officers, expenditure observers and all other Government Officials including the officials of the Goa Police and the Government Printing Press and other officers and staff drawn by the office of the Commission to assist it in the conduct of the whole election process in a smooth, peaceful and flawless manner and take this opportunity to thank them, one and all.
